A close-up, low-angle shot of a game controller's left side. The controller is dark, possibly black or dark blue, with a matte finish. Several buttons are visible, each with a different colored glow: a large analog stick with a blue glow, a small button with a red glow, a button with a green glow, and a button with a blue glow. The background is dark and out of focus, with a soft blue light source visible in the upper left corner.
